To whom it may concern

On behalf of the European Society of Endocrinology, I am very pleased to confirm that the ESE will be a strong supporter of the 18th International Congress of Endocrinology and 53rd SEMDSA Congress, which will be taking place in Cape Town from 1-4 December 2018. This meeting promises to be of extremely high quality and of real value to the international endocrine community.

We will be attending the event and encouraging participation through our marketing efforts.

Yours faithfully

Helen Gregson
